CAMP INFORMATION
The Aerospace Engineering Camp SOAR 2014 Summer Camp is a special five day camp designed to give high school juniors and seniors with an interest in pursuing aerospace engineering as a career an opportunity to explore AERO at Texas A&M. The camp dates are July 20-25, 2014. More information can be found at the following link:

DAY COUNSELORS
Day counselors are responsible for monitoring students, assisting the instructors in the classroom setting, and ensuring prompt student arrival to all departmental sessions on time. There will be three day shifts:

- D1: 08:00-12:00 hrs.
- D2: 12:00-16:00 hrs.
- D3: 16:00-20:00 hrs.

Free meal cards will be provided for appropriate meals according to shift (i.e. breakfast, lunch, or dinner). Pay rate is $8.00/hr. Counselors will receive their pay in the form of a stipend. The stipend will be deposited into their student account at the end of the camp.

NIGHT COUNSELORS
Night counselors are responsible for monitoring the students and ensuring that they adhere to the set curfew and camp rules. The students will need to be picked up promptly at the beginning of every shift from the daytime counselors. Following evening curfew and student check, you are free to retire to your assigned dorm room for the evening. You **MUST** remain with the students during the entire shift:

- N: 20:00-08:00 hrs.

Free meal cards will be provided for appropriate meals according to shift (i.e. breakfast or dinner). A minimum of one male and one female staff is required for the evening shift. Pay rate is $100.00/night. Counselors will receive their pay in the form of a stipend. The stipend will be deposited into their student account at the end of the camp.
APPLICANT REQUIREMENTS

Please respond to each of the following prompts in 250 words or less:

1. What other counseling positions have you held and at what capacity did you hold this position?

2. What leadership positions have you recently held?

3. Why do you want to be a summer camp counselor? What would your presence add to the camp and the students participating?

4. Give a detailed explanation as to how you would handle the following position-specific situation (provide an explanation for the position you are applying for):

   **Daytime Counselors:** You are walking the students from lunch to the ZACH building and upon arrival, you realize that a student is missing. Once you find them, you learn that they wandered off with one of their “A&M friends” who is taking their first set of freshman classes.

   **Night Counselors:** After curfew, you decide to walk your designated floor to ensure that everything is okay and you see one of the doors is open and a camper is not in their designated room. When asked, the roommate has no idea where the other camper is.
