Force requests for ISEN courses for the Summer or Fall 2014 Semester should be made by sending an email to richf@tamu.edu. Include the course information (CRN, course name, number, and section number), your full name, and your UIN. Note that we cannot force students into non-ISEN courses so those requests should go to the department controlling the course.

You should use your neo.tamu.edu account for email correspondence to insure that my junk filter does not delete your request.
