Students must meet and adhere to the following requirements and guideline in order to earn the Polymer Specialty Certificate:

Requirements:

1. Be in good academic standing within major department.
2. Obtain a “C” or better in each course taken towards certificate program.
3. Achieve an overall GPR of 3.0 in approved certificate program coursework.
4. Meet all requirements for admission to upper division in the student’s major department.
5. Submit completed certificate program worksheet to the Polymer Technology Center (208 ENPH) registering for final course(s) to complete certificate requirements.
6. It is recommended that students take 6 hours of coursework above what is required for their degree program. (eff. 06/18/10)
7. Consult with academic advisor prior to submitting application for certificate.

Guidelines:

1. Students should complete and submit certificate program application to the Polymer Technology Center (208 ENPH) prior to registering for any of the certificate courses.
2. Students must contact the faculty member teaching a course to get forced in.
