Sept. 9  
Brian Wilson | Professor and Senior Scientist at Princess Margaret Cancer Centre  
Department of Medical Biophysics, University of Toronto

Sept. 16  
Ranu Jung | Professor and Chair  
Department of Biomedical Engineering, Florida International University

Sept. 23  
Dawn Nida | Biomedical Engineer  
Natick Soldier Research Development and Engineering Center, University of Massachusetts Lowell

Sept. 30  
Sarah Heilshorn | Associate Professor  
Department of Materials Science and Engineering, Stanford University

Oct. 7  
Maryellen Giger | A.N. Pritzker Professor and College Vice-Chair for Basic Science Research  
Department of Radiology, The University of Chicago

Oct. 14  
Orlando Auciello | Professor and Distinguished Chair  
Department of Materials Science & Engineering, The University of Texas at Dallas

Oct. 21  
Anthony Guiseppi-Elie | TEES Professor and Head  
Department of Biomedical Engineering, Texas A&M University

Oct. 28  
Donald P. Gaver | Alden J. ‘Doc’ Laborde Professor and Chair  
Department of Biomedical Engineering, Tulane University

Nov. 4  
Urs Utzinger | Associate Professor and Interim Head  
Department of Biomedical Engineering, The University of Arizona

Nov. 11  
Matthew Petroll | Professor  
Department of Ophthalmology, The University of Texas Southwestern Medical Center

Nov. 18  
Robert Murphy | Professor and Head of the Computational Biology Department  
Department of Biological Sciences, Carnegie Mellon University
