IIT Kanpur
The Indian Institute of Technology Kanpur is one of the finest engineering institutes in the world. It was founded in 1960 by a consortium of nine leading American universities: MIT, Caltech, Princeton, Stanford, Carnegie Mellon, Case Western, Ohio State, Purdue, Berkeley and Michigan. Dr. Kinra has long-standing collaborations with faculty and staff at IIT-Kanpur.

Excursions/Field Trips
In addition to taking a course, the purpose of this program is an intense exposure of the student to the rich and diverse culture and history of India. Students on this program will live on the IIT-Kanpur campus, sharing meals, facilities and class time with Indian students. Under the guidance of Dr. Kinra and with the help of a local travel agent, the students will plan a number of trips depending on their individual interests. The program will include weekend field trips – potential locations include the Taj Mahal, Lucknow, Bangalore-the silicon valley of India and Delhi. The final itineraries will be determined after discussion with the students.

The cost of these optional trips in not included in the budget.
Cost
Participating in the research Internship Program at IIT Kanpur is approximately $3,500 **LESS** than if the students was doing the same experience in College Station.

Scholarships
There are two scholarship available to students:

By applying: The Scholarships and Financial Aid office offers scholarships based on merit and financial need. Applications are available through Scholarships & Financial Aid and deadlines are listed on the website below. The Continuing Student Scholarship application opens November 1st, 2015 and closes at 11:59 p.m. February 1st, 2016. [https://sfaid.tamu.edu/uwideapp](https://sfaid.tamu.edu/uwideapp)

Guaranteed: The Dwight Look College of Engineering is guaranteeing a $2,000 scholarship to every student with a GPA of 2.5 or higher at the time of application. There is no need to apply for the engineering scholarship, it is automatic if students meet all of the following requirements:
- Have a 2.5 or higher GPA at time of application
- Satisfy the course requirements for admission
- Be admitted and confirmed by Feb.15, 2016
- Attend the *Increasing Your Cultural IQ Workshop* before departing

IIT Kanpur also provides a scholarship that is equivalent to $2,000. This scholarship covers the cost of being in India for the 10 weeks of the program.

Scholarships for SEC students
Students from participating SEC schools should contact their financial aid office regarding scholarships or other sources of support. Texas A&M University does not provide scholarship support or financial aid to students from other universities.

Financial Aid
Federal and state financial aid and some scholarships may often be used toward the cost of Texas A&M study abroad programs. If you have any other questions, please contact the Office of Scholarships & Financial Aid (2nd Floor Pavilion) or (979) 845-3236.
