2. Once you clarify what role you are go to www.aggienetwork.com/mentor and click on the “Login to Register” button.

3. If have an AggieNetwork account, enter your username and password. And skip to step 8.

4. If you do not have an AggieNetwork.com account, click the “I Need to Register” link and proceed to step 5.

5. Enter your first and last name. LEAVE THE CLASS YEAR FIELD BLANK. Please check the “I am not a robot” field. You may have to go through several pictures asking you to select certain items to complete this step.
6. Find your name on the list and select “Create Account”.

7. From here, follow the instructions to create your account.

8. Once you log in, the site will ask you to select your role (Mentee) and the program you want to join—in this case it will be College of Engineering program. Finally, Click “Join the Aggie Mentoring Network.”

9. Once step 8 is complete, a new page will appear prompting you to check your email for an invitation. You should receive an email within 2-3 minutes that looks like the one below. Please select “Accept and sign up”.
10. Click on the “Accept and sign up” button on the email. You will receive an email asking for you to verify your identity and will provide a link that will lead you to a portal asking you to create a password.

11. From here the system will automatically drop you into the profile section of the platform.

12. All mandatory field will be marked with an asterisk *. Completing all mandatory fields is important since the system bases your compatibility with people through the profile fields.

13. Once you’ve completed your profile, the system will automatically drop you into the homepage with your top matches (see image below).
14. From here you can either click on a suggested match’s profile or connect with them.

15. When you select the “Connect” button the system will pop open a messaging widget asking you to fill in a message that you want to tell your perspective mentor. Once you’ve completed this, click the “Send Request” button.

16. Once your mentor accepts your request, the system will generate a new tab on your left-hand navigation bar called “My Connections” (see image below).

17. Here you can access your “Connection Plan” which will help facilitate the mentorship, click on your new connection and explore the connection plan and content in it.
18. To log back into the system, go to [https://mentoring.tamu.edu/p/p3/about](https://mentoring.tamu.edu/p/p3/about) and log in using the email and password you entered.
