Instructions for the Graduate Student Listserv

The university maintains a listserve used exclusively for Industrial and Systems Engineering Graduate Students. It is important for all of our graduate students to join this listserve because reminders regarding various deadlines, departmental announcements, and opportunities for internships and employments are sent to those on the listserve.

You can join the list by sending an email to listserv@listserv.tamu.edu and in the BODY put

    SUBSCRIBE isengraduate firstname lastname

To unsubscribe, send a message to listserv@listserv.tamu.edu and in the BODY put
