Registration Instructions for College of Engineering FGEn Mentor Program MENTORS

Below are the instructions of how to sign up, log in, and find a match in the College of Engineering Mentor Program.

1. Ensure you are aware if you are a mentor or a mentee.

2. Once you clarify what role you are go to www.aggienetwork.com/mentor and click on the “Login to Register” button.

3. If you are a Former Student of Texas A&M, enter your AggieNetwork email and password. And skip to step 8.

4. If you are not a Former Student and do not have an AggieNetwork.com account, click the “I Need to Register” link and proceed to step 5.

5. Enter your first and last name. LEAVE THE CLASS YEAR FIELD BLANK. Please check the “I am not a robot” field. You may have to go through several pictures asking you to select certain items to complete this step.
6. Find your name on the list and select “Create Account”.

7. From here, follow the instructions to create your account.

8. Once you log in, the site will ask you to select your role (Mentor or Mentee) and the program you want to join -- in this case it will be College of Engineering program. Finally, Click “Join the Aggie Mentoring Network.”

9. Once step 8 is complete, a new page will appear prompting you to check your email for an invitation. You should receive an email within 2-3 minutes that looks like the one below. Please select “Accept and sign up”.

   Hi Cami,
   
   Congratulations!
   
   You have been invited by Cronus Mentor API (Admin) to join College of Science Mentoring Program as a student.
   
   It is important that you review and complete your profile. A detailed profile helps find better matches for you.

   If you have any questions, please contact the administrators here.
   
   Thanks,
   College of Science Mentoring Program
10. Click on the “Accept and sign up” button on the email. You will receive an email asking for you to verify your identity and will provide a link that will lead you to a portal asking you to create a password.

11. From here the system will automatically drop you into the profile section of the platform.

12. All mandatory field will be marked with an asterisk *. Completing all mandatory fields is important since the system bases your compatibility with people through the profile fields.

13. Once you’ve completed your profile, you will wait for your “Mentoring Requests” to come in. You can find these requests in the three highlighted areas of your home page (see image below).
14. Click on any of request notifications and the system will bring you to the “Mentor Request” page. When you’re ready to accept, the request click on the “Actions” button and click on the Accept option.

15. Once you click Accept, the system will automatically drop you into the Connection Plan, which is a guide to help foster your new mentorship. Please take a moment and explore the content here and provide us your feedback.

16. To log back into the system, go to https://mentoring.tamu.edu/p/p3/about and log in using the email and password you entered.
