

MEEN Engineering Honors Semester Meeting Preparation

Please fill out this form in advance and bring it to your meeting with the Honors coordinator.

Name:

Major:

Email:

Meeting date:

Expected graduation semester:

Coursework: List all honors or graduate courses you have taken or are currently taking. This includes any math, science, or engineering courses.

What is your plan for completing the 18 hours of honors coursework by the time you graduate?

Fast Track: Are you interested in the fast-track program? YES NO
If so what fast-track courses have you already taken or do you plan to take?

Research Experience:

What area(s) of Research in MEEN are you interested in?

Have you started doing research with a professor? If so, who is your research mentor and what is the topic of your research?

Are you currently taking, or have you already taken, MEEN 491H? YES NO

Do you plan to use your first 3 hours of MEEN 491H to replace a technical elective? YES NO

Activities: Which activities have you already attended or plan to attend for this semester? Recall that two activities of your choice are required, in addition to the mandatory IAP Career Fair (fall)/ Awards Banquet (spring).

Questions: List any questions you'd like to discuss with the coordinator.
