

### Change of Major Form

Thank you for your interest the Biomedical Engineering Department. To apply to change your major to BMEN, please complete the application below. Only students who meet the below criteria will be considered:

1. Completion of all CBK courses (listed on page 2 of application) with a C or better,
2. A cumulative GPA of 3.25, and
3. A CBK GPA of 3.25

Applicants will not be considered for admission to Biomedical Engineering until each of the above requirements has been completed. This application may be submitted if final course requirements are in progress, but a decision will not be rendered until final grades are posted.

Applications must be submitted by May 1<sup>st</sup> for consideration for the fall semester and December 1<sup>st</sup> for the spring semester. Once this application is complete, please email it to [bmen@tamu.edu](mailto:bmen@tamu.edu) or submit it in person in ETB 5045 by the deadline above.

*I understand that I will be subject to all requirements of the Department of Biomedical Engineering and the College of Engineering according my current catalog. I also understand that my graduation may be delayed as a result of changing to a new curriculum and I may become ineligible for the \$1000 tuition rebate if I have credit hours that cannot be used for a BMEN degree.*

### Change of Major Form

To be completed by a Biomedical Engineering Advisor ONLY. Please leave this blank.

Cumulative GPA: \_\_\_\_\_

CBK GPA: \_\_\_\_\_

Eligible for admission:  Yes  No

**Departmental Policies:**

- In calculating CBK GPA, only the highest grade will be used.
- Grades from TAMU, community colleges, and dual credit will be included. Courses with AP/IB credit will be removed from the calculation.
- Cumulative GPA will be pulled directly from Howdy.
- Only official grades as posted in Howdy or on community college transcripts will be used.
- Meeting these requirements does not guarantee admission, as there are only a limited number of seats available to BMEN students.
