

Texas A&M Chemical Engineering Computer Account Application

(Please Print CLEARLY – failure to supply all information will result in a delay in account setup)

Name: _____ TAMU NetID* _____
First MI Last (Not UIN)

Current Email: _____ *If you wish to be contacted once your account is setup

____ Faculty ____ Staff ____ Post Doc ____ NonStudent Researcher ____ Student Worker
Supervisor / PI _____

____ Student: Chemical Engineering Major - Grad / Ugrad (circle one)

____ Student Non ChE: Major: _____ Grad / Ugrad (circle one) Advisor: _____

Are you taking a Chem Eng. Class? (Please list) _____

____ Other (Please Specify): _____

Faculty/Staff approval MUST be obtained before the computer account will be activated. Please fill out the following portion of this form.

Specify reason(s) for needing an account and length of time that account needs to be activate:

Activate Dates: Starting Date: _____ Ending Date: _____

Faculty/Staff Approval: _____ Date: _____

Please keep attached Computer Rules and Regulations

By signing this form, I acknowledge I have received a copy of the Chemical Engineering User Rules and Regulations, and I understand them. I understand that all information on TEES computers or on computers storing TEES data is the property of TEES and is subject to all privacy and applicable non-disclosure agreements. I agree that it is my responsibility to understand all agreements and regulations for the information to which I have access and will do my best to protect that information from unauthorized access.

Unauthorized use of data or systems is prohibited. Your computer usage may be subject to security testing and monitoring. Misuse of the TEES/TAMU network is subject to criminal prosecution. You have no expectation of privacy except as otherwise provided by applicable privacy laws. This warning is required by the Texas Administrative Code (TAC)

General Account Information

- 1) Your Chemical Engineering UserID is the same as your NetIDt.
- 2) An initial password will be set for your account. This is not same as your NetID password.

Chemical Engineering Computer User Rules, Regulations, and Privacy Statement

I understand that all information on TEES systems or on systems storing TEES data is the property of TEES and is subject to all privacy and applicable non-disclosure agreements. I agree that it is my responsibility to understand all agreements and regulations for the information to which I have access and will do my best to protect that information from unauthorized access.

Unauthorized use of data or systems is prohibited. Your computer usage may be subject to security testing and monitoring. Misuse of the TEES/TAMU network is subject to criminal prosecution. You have no expectation of privacy except as otherwise provided by applicable privacy laws. This warning is required by the Texas Administrative Code (TAC)

I also understand that any personal use of computers in the Chemical Engineering Department must follow all rules and regulations for incidental use as set forth by the State of Texas, Texas A&M, Texas Engineering Experiment Station and Chemical Engineering. I agree to use reasonable care to protect access to computers and data in Chemical Engineering.
