Industrial Affiliates Program
Membership Benefits 2018-2019

COMPUTER SCIENCE & ENGINEERING
TEXAS A&M UNIVERSITY

Recruiting—Maximize Engagement and Visibility – <u>exclusively</u> for IAP members

By joining our Industrial Affiliates Program (IAP), your company can easily target computer science and computer engineering students (CSE) to receive your job opportunities and event information.

Engagement Opportunities

- Direct access to dedicated staff member to assist and guide in promoting your event
- No limit on the number of CSE events (tabling events, talks, challenges, etc.) each academic year
- Invitation to CSE-Only Career Fair
- Invitation to the IAP Recruiting Event (resume clinics, mock interviews and lunch with student leaders and CSE honors students)
- Invitation to the IAP Meeting focusing on faculty research, includes lunches with student leaders and CSE honors students and faculty, includes judging the IAP Research Project Competition
- Invitation to the Spring Banquet and Awards Ceremony. Members are seated with their company named scholarship recipients.
- Invitation to participate as a speaker or panelist in a CSCE 481 seminar class
- Invitation to participate as a speaker in a CSCE 181 seminar class - Platinum members only
- Invitation to host a company Corporate Day. (Monday, Thursday and Friday during the fall career fair week are reserved for Platinum members)
- Invitations to sponsor CSE student organization activities
- Invitation to participate in the end of semester Capstone Project Reviews and Exit Interviews; give feedback on graduates, teaching direction and approaches; and provide input to significant long-term trends
- May request a faculty liaison to collaborate with regarding research interests

Hiring Opportunities

- Job information is emailed directly to all or targeted students
- Job flyers posted throughout the H.R. Bright and in the Teague buildings
- Access to the CSE Student Resume Bank which is updated throughout the year

Corporate Recognition and Branding – <u>exclusively</u> for IAP members

Our IAP members are an important part of the Department of Computer Science and Engineering students' success. To acknowledge your company's support to our students, faculty, and visitors, your:

- Company logo is displayed on the IAP recognition and events monitor in the CSE administration office and in rotation on the all CSE lobby and Peer Teacher Central monitors
- Company name and logo are on the department's IAP web page linked to your company home page
- Extensive promotion of IAP member's CSE events via direct emails, flyers (posted throughout the HR Bright building and in the Teague building; slides for the CSE office, all lobby and Peer Teacher Central monitors; and the department's website homepage calendar which is linked to the university online calendar

For IAP and Non IAP Company Recruiting Opportunities

- All CSE jobs (IAP and non-IAP) are posted on the CSE student job listserv
- Jobs may be posted on the Texas A&M University Career Center's HireAggies.com web site
- Afterhours rooms may be reserved (afterhours during career fair weeks are reserved for IAP members). All events are listed on the CSE Events of the Week, but only IAP events are promoted via emails and flyers.
- CSE student organizations may be contacted to host a talk or event
