The Capstone Project is designed to develop your project implementation skills, demonstrate your capability to your employer and provide an immediate impact/ROI.

"The MID program connects cutting-edge distribution research with real world business applications, arming graduates with a deep understanding of distribution concepts and the broad knowledge required to strategically lead their organizations through the constantly-evolving landscape of industrial distribution."

RENATA MORGAN, MID '21
GENERAL MANAGER, BUSINESS ADMINISTRATION, CENTURY A/C SUPPLY

"MID challenged me to critically think about the dynamic environment in which my supply chain exits. The skills learned prepared me to lead during one of the most challenging times in history."

JASON JACOBS, MID '20
CATEGORY MANAGEMENT MANAGER, LOCKHEED MARTIN
