IV. U.S. History and Political Science (12 hours, 6 hours of history and 6 hours of political science).

a). HIST 105 and 106 or other courses in American and Texas history, except that courses pertaining solely to Texas history may not comprise more than 3 hours. American and/or Texas History courses that satisfy the International and Cultural Diversity requirement include: HIST 258, 301, 305, 307, 319, 343, 451, 455, 460, 461, 473.

b). POLS 206 and 207

Notes:

1. Courses with an asterisk (*) next to them have prerequisites.
2. Courses numbered 285, 289, 484, 485, or 489 do not satisfy University Core Curriculum requirements.
3. Courses in red will also satisfy the 6 hour *International and Cultural Diversity* requirement as stipulated on page 20 of the 2007-2008 Texas A&M University Undergraduate Catalog. For example, if a student takes ARTS 150 and ANTH 210, then that student has satisfied the *International and Cultural Diversity* requirement as well as the *Visual and Performing Arts* requirement and the *Social and Behavioral Sciences* requirement. Therefore, students should chose at least two of the courses in red, from two different sections, if they want to avoid taking additional hours.
4. Courses with an "@" next to them must be taken abroad in order to satisfy the International & Cultural Diversity requirement.
