Spend your summer in Hong Kong!

International Summer Exchange Program

19 Jun – 13 Aug 2018

The Hong Kong University of Science and Technology
HKUST International Summer Exchange Program (ISP)

ISP welcomes students from our exchange partners to study at HKUST in the summer. The program aims to create a rewarding exchange experience for students from around the world. It comprises courses taught by HKUST instructors and opportunities to participate in local excursions that enable you to gain insight into the region.

Hong Kong: Top reasons to study abroad here

- Dim sum and other great food
- Get around using English
- Travel to major Asian destinations within hours
- One of the safest cities in the world
Our name is The Hong Kong University of Science and Technology. But we are not only science and tech. We also have a world-class business school and we offer a range of social science and humanities subjects. The quality of HKUST has consistently placed it at the top in world rankings.
