EH Reminders

Apply to your chosen field.

Expertise and experiences.

Grand Challenges for Engineering

The 100 students attended and benefited from hearing the organizations pitch.

Save the dates for our events!

Interviews, industry panel, and tour of our very own career fair.

Once again, EH had a successful Career Fair Prep Event, with the most number of companies.

Information-based robots. We need mentors to guide these young minds in building their robots, as well as.

FLL introduces students from ages 6-13 to real-world engineering challenges by building LEGO-based robots.

Thanks to all our volunteers, especially for our major EH and ECOS events!!

Have you met with your track coordinator yet?

Wish someone had told me in college. Definitely a must-go event to help you maximize your college experience. Who knows? Maybe someday you’ll be invited back to speak on a panel!

Copyright* Counts toward EH activity better!
