Student Ambassador 2018 Application

Texas A&M | Industrial & Systems Engineering | Student Ambassador Program

COVER SHEET

The Department of Industrial & Systems Engineering’s Student Ambassador Program is designed for sophomores, juniors, seniors and graduate students currently in industrial engineering. Student Ambassadors assist in multiple capacities, including the advancement of recruitment and outreach in Industrial & Systems Engineering at Texas A&M University, by serving as the primordial representatives of the Department to prospective and current students.

In order to apply for the Department of Industrial & Systems Engineering’s Student Ambassador Program, you must have completed a minimum of one semester in ISEN and submit all the items listed below (either via e-mail to ieundergradadvising@tamu.edu or turned in to 4062 ETB) by 5:00 p.m. on February 1st, 2018.

___Cover sheet
___Completed Department of Industrial & Systems Engineering’s Student Ambassador application
___Unofficial transcript
___Résumé
___Essay #1: In 250 words or less, state why you are interested in being a Student Ambassador for ISEN

Student’s Name (Last, First, Middle Initial)

Please make sure all sections of your application are completed in the format provided and submitted together. Incomplete applications will not be considered.

Submit application packet to:

Fluent in any language(s) other than English:

[ ] Yes  [ ] No  Please Specify: __________________________________________

How did you hear about the Department of Industrial & Systems Engineering’s Student Ambassador Program?

[ ] TAMU ISEN website  [ ] Professor

[ ] Flyer / Advertisement  [ ] Advisor

[ ] Other  Please Specify: __________________________________________

In Spring 2018, I will be classified as a:

[ ] Sophomore  [ ] Junior  [ ] Senior  [ ] Graduate Student

My estimated graduation date is:

[ ] Spring 2018  [ ] Fall 2018  [ ] Spring 2019  [ ] Fall 2019

[ ] Spring 2020  [ ] Fall 2020  [ ] Spring 2021  [ ] Fall 2021

How were you admitted into the Industrial & Systems Engineering Program?

[ ] ETAM  [ ] Transfer  [ ] Freshman admit (before ETAM was implemented)

[ ] Change of Major  [ ] Graduate
In Summer 2018, I will be available and in College Station, Texas:

[ ] Yes  [ ] No  [ ] Depends / Not sure yet

On occasion, the Student Ambassador Program will need to work events on a Saturday. Will you be able to volunteer on a Saturday?

[ ] Yes  [ ] No

Please answer the following questions.

1. List the top five leadership positions you have held / extracurricular activities you have been involved in.

___________________________________________________________________________
________________________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________

2. Explain the most significant qualities that you possess that might help you as a Student Ambassador and why.

___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________

3. In your opinion, what are some issues incoming students face academically and socially as they transition to college life?

___________________________________________________________________________
___________________________________________________________________________
4. One of the roles of a Student Ambassador is to create events that help fulfill a need of the student body. What is an idea for one event you would like to develop in ISEN through the Student Ambassador Program?
